## MSCA-PF Call for Interest

If you are interested in joining one of the CiMUS research groups and developing your research ideas within the framework of the host group's lines of research, please submit your expression of interest as described below by **May 31, 2026** to [cimus@usc.es](mailto:cimus@usc.es).

### Application:

Interested candidates should submit the expression of interest along with:

- A detailed CV including a list of publications and research experience.
- A research proposal (max 1 page) related to the research lines of the group.
- Contact information for two academic references.

### Eligibility Criteria:

- Ph.D. degree (obtained a maximum of 8 years ago).
- Applicant must not have lived or worked in Spain for more than 12 months in the last 36 months before the call deadline.
- Proven track record in the field of interest.
- Experience in the use of modern techniques related to the selected line of research.
- Strong publication record in peer-reviewed journals.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a multidisciplinary team.

Please, we also ask you to carefully read all the requirements described in the call (<https://marie-skłodowska-curie-actions.ec.europa.eu/actions/postdoctoral-fellowships>).
